

ASK ARTS # 24  
ARTS EDUCATIONAL  
GRANT PROGRAM  
By Del Reed  
(Approved - October 12, 2022)

Dear ARTS,

Once a year our association hosts a Leadership Workshop for dancers, callers, and cuers. During these workshops we discuss advertising and promotion materials and techniques, club leadership hints and help, club organization, membership drives, and other dance related topics.

We have heard The ARTS offers financial help for this type gathering and would like more information.

Dancing in Dover

Dear Dancing,

Thank you for your interest in the ARTS and your dedication to helping the activity grow.

The ARTS has established an Education Grant Program to provide financial assistance to encourage various dance organizations to conduct educational gatherings to inform and educate attendees about various topics related to the activity and help also promote ARTS-Dance. In addition to the other topics, the seminars MUST also cover who and what ARTS is, its purposes, goals, and accomplishments. A PowerPoint presentation is available to be used for this presentation.

**Who would be eligible:**

Any square, round, contra, clogging, or folk dance organization willing to present a program which includes explaining ARTS and its function in the dance community.

**Terms:**

The associations, organizations, or dance promoters can apply for an educational grant for up to \$200.00 (or up to 50% of the costs, whichever is less) to cover the costs to present a seminar which includes a session explaining ARTS, its history, accomplishments, and current and future programs. This session can be a method to introduce ARTS to the dancing community who are not aware of ARTS, and further familiarize others with ARTS accomplishments and programs. A sign-in list of attendees must be circulated at the session, and if 10 or more attend, the session would qualify for a grant. If there are less than 10 attendees, the organization would not qualify for funds.

The completed application must be submitted to the ARTS Executive Director at least 60 days prior to the event:
